## BIG LAND DEAL.

Colorado Fuel And Iron Co. Purchases Slice of Maxwell Grant,

From the Donver 'News."

The Colorado Fuel and from company is preparing to compete in earnest with the steel trust. Today President Frank Springer, of the Maxwell land grant will affix his signature to the last of the pursons necessary fo the fuel and from company to gain pos-assison of a princely tract of 250,000 acres of the richest coal and timber land of Colorudo. The deal involve-\$1,000,000, and follows the statement by officials of the company that not only would now mills be built at Puch to, but that Colorado would be relied upon in its natural resources

The new acquisition now gives shelter to at least 2,500 sotslers, the majority of whom are squatters and have no title except the will of the company. They signed a few years ago, an agree-ment to recognize the Maxwell commany as owner of the property.
